

Typical Certificate of Analysis

Product: Potassium Citrate Powder EP Grade

Compliance: EP

Compliance

Item	Statement
Pharmacopoeia	Complies with Ph. Eur.
Producer's declaration	USP curr. ed.

General notices

Item	Statement
Other names	Tripotassium 2-hydroxypropane-1,2,3-tricarboxylate monohydrate; E 332 (ii)
Product source	Synthetic
Type of product	Complies with Pharmacopoeia; food additive
Allergens	Free from food allergens (EU food allergen rules)
	Gluten not expected; latex free
Odour	Odourless
Residual solvents	Free from residual solvents in CPMP/ICH/283/95. Process solvent: water
Contaminants	Complies with EU contaminant limits
Storage	Store in tightly closed containers; keep away from air; protect from moisture

Notes

Item	Statement
FCC	Complies with FCC (Food Chemical Codex)
Food additives	Complies with EU food additive specifications
Ethylene oxide	Compliant with EU ethylene oxide rules
BSE/TSE	BSE/TSE free
GMO	GMOs-free (EU GMO rules)
Irradiation	Not treated with ionizing radiations
Special diets	Suitable for vegans and vegetarians; suitable for coeliacs
